

White wedding

Increasing numbers of brides-to-be are now opting for extra-white teeth when planning for their walk down the aisle.

They have realised that their wedding is one of the most important days of their lives, and that the way they look will be captured on film which will be looked at for decades to come.

Little wonder then that as well as investing in a gorgeous gown, a very special hairstyle and fantastic flowers, they are also going for a sparkling smile...

Abigail came to us to have her teeth professionally whitened before her wedding last summer. She was delighted with the result and hasn't stopped smiling ever since!

If you would like to get your teeth whitened for a special event, or perhaps just to give your confidence a boost, please ask us for more details.

Tooth whitening is just one of a wide range of smile enhancing treatment that we provide. Popularity in our more advanced treatments continues to grow. Do talk to us if you would like to know more about the options available to you.

Keeping us up-to-date

If you have moved house or changed any of your contact numbers, please do let us know so that we can stay in touch with you.

Similarly, if you have had any changes to your health or medication, please tell us when you next visit – this information is vital to ensure that any treatment we give you is completely safe.

New baby

Prab Sandhu and her husband are the proud parents of a beautiful baby girl. Esha was born last September. Best wishes to Prab and her family.

Our team

We are very proud of the excellent team of highly skilled professionals that we have at the practice. Everyone is focused on providing patients with the best quality care possible.

The whole team work tremendously hard and we would like to thank everyone for their input in making our practice such a success.

The team enjoying a well deserved Christmas party.

Feedback

We are constantly looking for ways to improve the care we provide to our patients so if you have any feedback about any aspect of our services then please talk to us.

In particular, do tell us what you think of our newsletters and let us know if there is anything that you would like to see included in future issues.

Temple Square Dental

Temple Square Update

Welcome

Our newsletters are aimed at providing you with the latest dental health news, information about any changes at the practice and tips on looking after your teeth and gums.

This issue is packed full of lots of interesting articles, we tell you about the boom in cosmetic dentistry, look at the causes of sensitive teeth and much more!

If you have any questions about anything you read or any other dental matter then please just ask – we will be happy to help.

We are always pleased to accept referrals that come from our current patients. Please pass on our details to any of your friends or family that may be interested in our services.

Edited in association with the British Dental Health Foundation

Articles contained within this newsletter are provided for information only and should not be taken as a recommendation for any specific dental treatment or procedure. For further advice contact the dental practice.
